Laboratory Services

Huntsville Hospital Health System Laboratory is committed to providing quality laboratory services. We have several convenient laboratory patient service centers staffed with experienced hospital personnel.

Please bring the laboratory request from your doctor's office and your insurance cards when you visit any one of our collection stations. No appointment is necessary for our patient service centers. If you have any questions, please call 256-265-2522 or toll free 800-278-0588. Visit us online at huntsvillehospital.org/lab.
